SOLE

City is a **unique styled** shoe, perfect for people who look for a safety shoe to use in a lot of different situations, **free time** included.

Giasco developed for this product a special gel insert in the heel zone, called **G-GEL**, useful to reduce the impact stress et to **release energy** during walking.

This sole has been studied with a special attention to the design of uppers and sole and to the technology of hidden outsole.
