

ULTRALIGHT MF S1 SR low Low shoes

02010616

NORM SPECIFICATION

EN ISO 20345:2022 (S1 FO SR)

Personal protective equipment - Safety footwear

DESCRIPTION

Ultra light weight and highly comfortable safety sneakers! Certified to S1 safety class due to EN ISO 20345:2022. EVA foam with rubber cleat outsole delivers very soft rebound, reducing your feet fatigue during whole day. Light and highly breathable textile upper. Non-metallic toe cap. ESD and antistatic footwear. Great and comfortable safety option for dry environment.
