

GRIMMA S1PS MF SR low Low shoes

02010622

NORM SPECIFICATION

EN ISO 20345:2022 (S1 PS SR)

Personal protective equipment - Safety footwear

DESCRIPTION

Comfortable safety shoes with composite toe cap and composite anti-penetration midsole, certified to S1 PS safety class, according to EN ISO 20345:2022. Anti-static insock. Double density PU/PU outsole with energy absorption in the heel. Durable split suede leather upper in combination with oxford fabric with increased breathability thanks to perforation. Great choice for indoor jobs, such as automotive, logistics or industrial production. Metal-free.
