

TORNAFORT MF S3S SR ankle HRO Ankle shoes

02020857

NORM SPECIFICATION

EN ISO 20345:2022 (S3S HRO FO SR)

Personal protective equipment - Safety footwear

DESCRIPTION

- modern safety ankle boots with a composite anti-puncture insole and a composite toe cap that protects against compression with a force of up to 15 kN or a load weighing up to 20 kg falling from a height of 1 m
- the anti-static sole made of a combination of polyurethane and very durable rubber guarantees not only comfort, but also safety thanks to the non-slip properties of the sole, which is also resistant to oils and abrasion
- the upper part of the shoe is made of natural leather "NUBUCK" and the inner lining is made of breathable polyester
- reflective elements guarantee increased user visibility
- this model is equipped with a comfortable inner insole, which, thanks to the gel heel, absorbs shocks even better and brings a maximum feeling of comfort during work
- these shoes look like sports shoes, but they protect your feet perfectly

PRODUCT CODE - 02020857 XX YYY

Colours - XX
