

RAVEN OB SRC clog

SAP CODE

02060035 XX XXX

DESCRIPTION

Light occupational clogs with a perforated and breathable upper. The outsole made of one-density polyurethane guarantees not only comfort but also safety thanks to the anti-slip properties of the sole, which is also resistant to oils and abrasion. The upper of the shoe is made of light microfiber, which is very easy to maintain. The inner breathable lining has antibacterial properties and prevents odors. The elastic back strap ensures quick and comfortable donning. The white-blue color combination is especially suitable in the food industry. This model is available in small sizes from 35.
