

3000 PAPR

(EN) For Industrial / Hard Hat

The PureFlo 3000 is an innovative powered air purifying respirator that provides a unique all-in-one respiratory, head, face, eye and hearing protection solution.

With no trailing leads, hoses or waist mounted unit, the PureFlo 3000 provides users with freedom of movement, with no impairment when used with other PPE.

The PureFlo 3000 is available with a Hard Hat and is suitable for use in multiple industry sectors including manufacturing, construction and rail, providing workers working in hazardous conditions with integrated protection and an unrivalled level of comfort.
